Tuesday 10th February 2015

Dear Parents & Carers of Year 2 children,

2015 is well underway and our Term 1 school calendar is very busy with many different things. With this in mind, we are keen to begin our Guided Reading rotations. This means that your child will be engaged in lots of fun activities catering for their individual needs during our Literacy block. Children are organised into small groups to complete different activities that will assist them with spelling, reading (word attack skills, decoding skills, sight word recall, comprehension) and writing.

This letter is to invite parents and friends into our English Groups to help. We understand that it is very difficult for parents to commit to a certain time each week, but would really appreciate any time you could spare. If you cannot make it into the classroom during Literacy Groups, but still would like to volunteer some time, we would very much love to have you! Classrooms are very active places and we have many different ways that you could help us!

If you are able to help in the classroom, please let us know by filling out the slip below and returning it to school by Thursday 12th February 2015. We will make contact with you via email to confirm when we will start. 😊

If you are unable to come into the classroom but would still like to help out, please let us know. When we have cutting and pasting jobs, we would love to send some “homework” home for you!

Thank you for your support.

Kindest regards,

Year 2 Teachers

Child’s Name: ________________________________ Class: ______________
Helper’s Name: ______________________________ Phone: __________________

Please tick your preferred way of helping:

- I can’t help in the classroom but am happy to have ‘homework’ whenever I can help (Class teacher will send things home with your child, with a note to explain what needs to be done).
- I can’t help during Literacy Groups but would love to come in to my child’s classroom on (day) ______________ at (time) ______________.
- I can help during Literacy Groups as shown below. Please circle / highlight when you can help us.
