St Edward’s Primary School Tamworth Values Statement

Values are the principles or ideals that give significance to our lives. As a Catholic school community Jesus Christ shapes our values. The following values are seen as important to supporting the development of our students in building a faith and learning community.

We will treat others with consideration and regard; respect another person’s point of view.

Be honest and sincere, seek the truth and accept the different talents that everyone possesses and makes us unique.

Give your all, pursue and protect the common good.

Be honest and sincere, seek the truth and value learning as a way to contribute to God’s world.

Enjoy life and live the Gospel as a believer and follower of Jesus.

Friendships and relationships enrich our lives and are a valuable gift. We are challenged to reflect as we explore its possibilities.

Understanding the connectedness or our world, we are called to contribute responsibly and to interact with respect.

Care for self and others.
